RECEIVED

JUN 16 2005

Federal Communications Commission  
Office of Secretary

**MOTION TO ACCEPT SUPPLEMENT**

Mid-Columbia Broadcasting, Inc., licensee of Station KMCQ(FM), The Dalles, Oregon, and First Broadcasting Investment Partners, LLC, by their respective counsel and pursuant to Section 1.429(d), hereby move for acceptance of the accompanying Supplement in the above-captioned proceeding. The purpose of this Supplement is to inform the Media Bureau of a recent development relating to this proceeding. Specifically, on June 9, 2005, the Commission issued a construction permit for a new FM station at Condon, Oregon on Channel 228C1 that will cover the white area at issue in this proceeding.

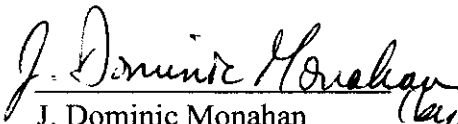

The FCC may accept a minor supplement in a petition for reconsideration proceeding. See 47 C.F.R. § 1.429(d); *Implementation of the Local Competition Provisions of the Telecommunications Act of 1996*, 14 FCC Rcd 17964, 17967, FN. 8 (1999); *MIS and WATS Market Structure*, 101 FCC 2d 1222, FN 51 (1985). In the alternative, the FCC may treat this

~~7448-205-99~~

supplement as an informal comment, which it may accept under its general authority in Section 4(i) of the Communications Act, as amended. *See* 47 C.F.R. § 154(i); *Implementation of the Telecommunications Act of 1996*, 14 FCC Rcd 15550, FN. 318 (1999). In either case, this Supplement is no different than the supplement previously filed by Triple Bogey, LLC *et al.* on December 1, 2004, reporting on the release of the decision in *Sells, Arizona et al.* (DA 04-3514). If that supplement is accepted and considered, then this Supplement, which reports on the issuance of the Condon, Oregon permit, should also be accepted and considered.

Respectfully submitted,

MID-COLUMBIA BROADCASTING,  
INC.
